Do you enjoy riding and camping with your horses and mules?

Do you want your children and grandchildren to be able to enjoy the same?

Would you like to be a part of making that possible?

**If you answered "YES", then you need to be a part of the organization
that will work as the trail riding advocate in Georgia;**

Back Country Horsemen of Middle and South Georgia.

**On March 1, 2004, Georgia Trail Riders lost access to 865,044 acres of land. No
state wide, equine group based in Georgia raised a legal voice against this loss.**

**Back Country Horsemen of East Tennessee in conjunction with Back Country
Horsemen of America did raise a legal voice. We need to be that voice in Georgia.**

**Membership is only \$30 per year for individuals or \$40 for a family and that gives
you membership in the Back Country Horsemen of America as well!**

That alone is a \$30 value!

**You will receive the quarterly newsletter of Back Country Horsemen of America as
well as the quarterly newsletter of Back Country Horsemen of Middle and South
Georgia along with critical updates as needed. You will receive timely information
about legislation that will impact your ability to ride in Georgia and surrounding
states as well as suggestions on how you can help. You will have the opportunity to
take part in trails maintenance in the National Forest, State Parks and other Public
Lands in your area and we will even try to have a little fun every now and then!**

Come on, be a part of the solution!
